

New Model Information

Perfection series for Baitcasting reels!

With the popularity of slow-pitch jerk fishing with baitcasters on the rise, we at Studio OceanMark are now offering a full lineup of premium baitcasting handles!

HIGH PERFORMANCE PREMIUM SERIES

《NO LIMITS AE100/95Ca》, 《NO LIMITS AE85/95Ca》, 《NO LIMITS AE82/90Ca》

Once you have used these extremely sensitive 30t carbon handles you will never look back!

■Specification

NL AE100/95Ca : Weight 91g , Retail Price ¥ 26,000(JPY)

NL AE 85/95Ca : Weight 85g , Retail Price ¥ 25,000(JPY)

NL AE 82/90Ca : Weight 75g , Retail Price ¥ 25,000(JPY)

※ We have changed our most popular 《NL AE85Ca》 handles name to 《NL AE85/95Ca》.

TECHNICAL MODEL FOR DEEP RANGE

《AE100/123Aa》

Our AE100/123Aa model offers a 123mm handle arm length!

When using this long handle on a high gear ratio reel, you will gain extra power which will allow you to gain leverage on monster fish that live down deep.

Not to mention, allow you to surgically control large metal jigs.

《AE85/95Aa》, 《AE82/90Aa》

These models feature our most popular AE 85 & AE 82 handle knobs equipped on a highly durable aluminum handle.

■Specification

AE100/123Aa : Weight 105g , Retail Price ¥ 25,000(JPY)

AE 85/ 95Aa : Weight 95g , Retail Price ¥ 15,500(JPY)

AE 82/ 90Aa : Weight 85g , Retail Price ¥ 15,500(JPY)
